Typically, like-minded employers have wanted to band together to lower their costs of providing employee benefits but have faced obstacles that include compliance and data gathering. IMA's new program will lower the barrier for entry while allowing each franchise to make its own decisions.

- + **10 Members to Participate:** The Program requires a minimum of 10 members to participate
- + **Employee Service:** Employees receive the service and assistance you would expect from a large-group insurance policy, regardless of the number of employees in your organization
- + **Technology:** You and your employees access and manage a user-friendly technology platform
- + **Reconciled Billing:** Receive an invoice that clearly outlines your coverage and payroll deductions
