The Next Generation of Pharmacy Management: Leveraging Your PBM to Control Prescription Drug Costs

A proven leader in the healthcare space, Kristin has over 18 years of experience in the industry with a focus on pharmaceuticals. She is the Chief Commercial Officer at EmpiRx Health, a market changing Pharmacy Care Management model rooted in payer alignment, lowest net cost and concierge service. Previously she served as the Chief Pharmacy Officer of TruVeris, a health technology company that sheds light on the inner workings of the pharmaceutical supply chain. Kristin also led Hewitt's National Pharmacy Practice, where she managed Rx benefit strategy for Fortune 500 employers. She has combined expertise in financial and clinical expertise as a pharmacist, focusing on procurement, benefit design, and pharmacogenomics. Kristin holds a Doctor of Pharmacy from Samford University.
