From Good Ideas to Practical Reality: How to Build a Thriving Workplace

Dr. Rosie Ward is one of the top speakers in the country on organizational and employee wellbeing. Her high energy, lively, and engaging presentations have made her a sought-after speaker for HR, leadership, wellness, and benefit conferences. She is a consultant, professional coach, and author known as a thought leader who challenges the status quo, pushes boundaries, and engages people and organizations to find success through shifting old, ineffective thinking habits. She has a diverse background with over 20 years of experience promoting wellbeing, employee engagement, and transforming organizations in various settings.

As CEO and co-founder of Salveo Partners, LLC, Dr. Ward consults with organizations, blending the worlds of Organizational Development and employee wellbeing to provide a unique approach to re-humanize the workplace so that people can bring their best selves to work – and home – each day. She has degrees in kinesiology, public health and a Ph.D. in Organization and Management where her research focused on organizational culture, leadership, intrinsic motivation and coaching. Rosie is regularly interviewed for business publications, is a contributing author to the book Organization Development in Healthcare: High Impact Practices for a Complex and Changing Environment and is co-author of the popular book How to Build a Thriving Culture at Work: Featuring the 7 Points of Transformation with business partner and co-author Dr. Jon Robison. Rosie is passionate about using her unique approach to bridge the gap between engaging individuals and creating sustainable shifts in organizational culture.
