CALL FOR SPEAKERS

Technology has firmly planted itself into the lives of employees and it is making its move into our businesses. We are looking for dynamic speakers in the InsurTech space to deliver practical and applicable information to our attendees.

What we're looking for in the ideal IMA Innovation Insights Summit speaker:

- Experienced, engaging, and comfortable speaking in front of large groups
- Passionate about sharing expertise, real-world strategies and knowledge on a wide variety of topics.
- Willing to partner with the IMA Innovation Insights Summit team to deliver the best possible content experience and relevant information for our audience
- Available to attend entire event and engage with attendees, schedule permitting
- Committed to sharing the IMA Innovation Insights Summit event with your social networks
- **YOU HAVE A GREAT STORY TO TELL!**

- PERKS!**
- » Complimentary access to the event
 - » Access to the networking event following the Summit
 - » Promotion of your organization on marketing materials
