

Equipment Coverage for Lease Operators & Contractors

Energy Solutions

Designed to assist producers in addressing the needs of clients in the oil and gas industry.

Our program is underwritten by the insurance companies of **ACE USA, a leading global provider** with A+ ratings and the capability of doing business in more than 150 countries.

Program Highlights

- **Comprehensive coverage form** that can cover the type and uses of equipment required based on client's scope of activity and operations
- **Includes Contractors Equipment**
- **Intended to combine with real and personal property coverage** on one policy if needed
- **Coverage designed to meet specific needs of the account**
- **Acord or similar application** (include a description of operations, schedule of values, 5 year loss history and coverage/limits requirements)
- **Minimum deductible options** based on type and size of risk (generally \$1,000 to \$5,000)
