Co	overage Effective Da	ite						

## 2. STATEMENT OF VALUES:

CHOICE PROPERTY CODE	LOCATION ADDRESS	CONSTRUCTION TYPE	# OF ROOMS	# OF STORIES	YEAR BUILT	YEAR RENOVATED	AGE OF ROOF

YES NO

- 1. In the last 5 years, has there been any physical damage to this hotel property arising from water intrusion (unwanted movement of water such as a leaking roof, leaking pipes, sewer or drain backup, storm damage, etc.) that exceeded \$25,000 for a single water intrusion event?
  - If yes, have repairs been completed to prevent further damage?
- 2. In the last 5 years, has the hotel property incurred any costs to remove mold that exceeded \$25,000?
  - If yes, have repairs been completed to prevent further damage?
- 3. Has Legionella bacteria been discovered at this hotel property in the last 5 years?
  - If yes, have repairs been completed to prevent further damage?
- 4. In the last year, has a hotel guest(s) reported seeking medical treatment due to experiencing illness from atmospheric emissions (e.g., foul odor from mold, toxic fumes from paint, etc.) at this hotel property?
  - If yes, was the source of the atmospheric emissions identified and eliminated to prevent further injury?
- 5. Does this hotel property have procedures in place to respond to water intrusion (unwanted movement of water such as leaking roof, leaking piping, sewar or drain backup, storm damage, etc.)
- 6. Is there any ongoing or anticipated remediation at this hotel property (including mold remediation) that is expected to exceed \$25,000?
