

HIMA RISK CONTROL

Hotel claim expenses can be large and unpredictable. Clients rely on IMA Hospitality as proactive consultants to help control risk.

Provided by the Hotel Insurance Management Association

Our history and experience delivers a proven process that yields results.

RISK CONTROL VALUE ADDED RESOURCES:

Monthly Risk Management Self-Assessment tool

Access to hotel loss prevention advisors

HIMA quarterly newsletter

Focus groups and risk summits

HIMA web portal (videos, training shorts and template policies)

Guidance on OSHA recordkeeping

Our company's profit has substantially increased on an annual basis as a result of IMA's creative and focused approach to our safety and risk control program. The bottom line is that IMA reduced our net cost of insurance on a per key basis by 29% while significantly improving our customer service compared to our prior broker." – **Marriott and Hilton franchisee**
